	5.	MGB personnelwere Quartered in the school building in the middle of the Soviet-occupied residential area of Siegmar, west of Chemnitz.
25X1	Dre	sden.
X1	6.	About 200 troops wearing black-bordered red epaulets, organized in groups of from 12 to 15 men, were seen receiving basic training in the Luft-kriegsschule, Dresden-Klotzsche (N 52/2 29), on 19 July, about 500 troops on 23 July, and 280 troops on 1 August.
X1	Lei	prig.
(1	7.	
(1	8.	Truck occupied by 10 soldiers with black-bordered red epsulets, was seen departing from the NGE quarters in the Planitz Kaserne, Leipzig, on 26 July.
X1	9.	Between 20 and 28 July, the Treitschke Kaserne in Leipzig still quartered about 500 troops who were black-bordered red epoulets and maintained a dog kennel. Trucks and seden were identified at the installation.
25X1 25X1 25X1 25X1	÷.	Comment. 195th Gds Rifle Regt of the 66th Gds Rifle Div in World War II. At the end of the war, the division was subordinate to the XXXIV Cds Rifle Corps of the Fifth Gds Army. The 70th Gds Rifle Div and the 97th Gds Rifle Div, the latter with two regiments, were identified in the southeastern portion of the Carpathian MD after the war. Since these two divisions were also assigned to the Fifth Gds 'may at the end of the war, it is clairly definitely believed that the liq Fifth Gds Army is now in command in the southeastern portion of the Galpathian MD, and that its components include the 66th, 70th, and 97th Gd Rifle Divs.
X1 X1	#-#-]	Comment. The information on the occupation of the Artilleria Reserve Chemnitz, and the motor vehicle numbers reported from there agree with There have been no reports that the barracks installa-
K 1	#-}(-);	tion on Leminstrasse quarter Soviet Army units, or that MGB units have been issued heavy weapons. Comment. The three installations in Leipzig admitibate a collective MGD billeting area on Olbricht Strasse.
